# Five New Burpee Giant Ruffled Sweet Peas

Giant Ruffled Sweet Peas are Burpee introductions, developed on Burpee's Floradale Farms in California. They are distinguished by the unusual duplexness and extra frilliness of the flowers. This gives a double appearance to the large, wavy and ruffled flowers which makes them so distinct. Ever since the introduction of our first Ruffled Sweet Pea, we have been constantly working to create new colors in this wonderful class. Our success is shown by the offering of five new varieties this year, two of them are Prize Winners.

For other Giant Ruffled Sweet Peas, see next page.

### 3467 BONNIE RUFFLES

Winner of the Gold Medal of The Scottish National Sweet Pea Society and the Award of Merit of the National Sweet Pea Society of Great Britain

It must be a great Sweet Pea to win two such honors this year. It is a wonderful variety, unusually large, long stemmed, and of a most distinctive coloring, one that is difficult to describe—salmon-pink on rich cream, the pink becoming a little deeper towards the edge of the standard and wings. The salmon-pink, which completely overlays a background of rich primrose, gives a unique golden pink appearance to the duplexed, frilly blooms that is most exquisite. Flowers are very fragrant and well placed on sturdy stems.

### 3594 BURPEE BLUE

Winner of the Award of Merit of the National Sweet Pea Society of Great Britain

Another Prize Winner. Flowers are large, beautifully waved, heavily ruffled and duplexed, and of a distinct dark blue, bright and clear and uniform throughout. It is outstanding in its color class.

Vigor of growth, length of stem, size of flower, and purity of color are well combined in this New Giant Ruffled Burpee Blue Sweet Pea.

### 3518 CRINKLES

The blooms of Crinkles are very large, wonderfully ruffled, and delightfully frilled. A most gorgeous shade of rich cerise-pink suffused coral, somewhat lighter colored on the wings. The highlights and shadows created by the very deep rufflings greatly enhance the beauty of the flowers.

### **3513 HEYDAY**

A great big ruffled flower, well duplexed and beautifully frilled, deep rose-pink enlivened by tones and suffusions of amber or primrose towards the edges of both the standard and wings. The wings are slightly deeper than the standard.

### 3515 RUFFLED CRIMSON

Flowers are of the largest size, heavily ruffled and duplexed, and extra long stemmed. Rich satiny crimson that deepens a trifle towards the edge of both the standard and wings. Much admired.

Any of the Five New Giant Ruffled Sweet Peas listed on this page: oz. \$2.00. Pkts. (25 seeds) to retail @ 25c each; \$12.50 per 100; \$100.00 per 1000
